OASIS

Wellness & Beauty Spa

Fatima Danka,
a dedicated
somatologist with a
passion for holistic
healing and over two
decades of expertise.

*A*s the owner and founder of Oasis Wellness, I've transformed countless lives with my unmatched skills.

Passionate about all things skincare, I specialize in PRP therapy, microneedling, laser hair removal, and need needling.

I'm ITEC and CIDESCO internationally trained, with partnerships including Environ, Babor, Matis, Gatineau, Dermalogica, and Guinot.

Having achieved master practitioner level in many product ranges, Mesoesthetic, a professional skincare brand, has consistently delivered impressive results for my clients.

While skin may be superficial, understanding its internal anatomy allows me to tailor treatments uniquely to each individual and that is why I believe a client's skincare journey starts with an in-depth consultation.

Driven and fiercely dedicated, I make it my goal to maximize your skin potential, ensuring you look and feel your best!

Periocular eye needling 500

A specialized chemical peel with microneedling to rejuvenate the delicate skin around the eyes.

Skin Retin expert treatment 800

A 360-degree anti-aging facial that improves luminosity, elasticity, and texture.

COSMELAN PEEL POR

Cosmelan, is the world's leading professional depigmentation method for treating the most severe and stubborn skin spots. Excellent results in the short and long term.

The Cosmelan treatment goes beyond a peel. Unlike peels, which act on the surface of the problem, Cosmelan gets to the root of the problem. It visibly removes and attenuates pigmentation spots (like a peel) while exerting a regulating action that corrects the overproduction of pigmentation and prevents the spots from reappearing.

PLASMA NEEDLING - PRP (Vampire Facial) 2600

PRP, short for platelet-rich plasma. The ultimate skin treatment. Non-surgical procedure for facial and skin rejuvenation. PRP uses your own blood platelets. The PRP, needled into specific areas of the skin, act as a matrix that promotes:

- Stimulate new cell growth
- Improve your complexion & skin texture
- Plumping of the skin
- Rejuvenating & Hydrate skin
- Softens wrinkles
- Smoother skin texture and tone
- Reduces pigmentation
- Improves acne scarring
- Reduces age spots and under eye bags and dark circles
